To our valued customers,

m.v. "Liberty" joining the Armacup fleet

We are pleased to announce m.v. "Liberty" joining the Armacup fleet effective November 22nd.

"Liberty" is a 5400RT PCTC vessel (Pure Car and Truck Carrier with a capacity of 5400 cars of a standard size) with a ramp capacity of 200 metric tonnes and a door height of 6.30 meters.

"Liberty" will be replacing the smaller m.v. "Hoegh Xiamen" which will be returned to her owners upon completion of her current voyage.

Adding "Liberty" to Armacup's Asia-Oceania service will further strengthen Armacup's service by providing increased opportunities for the carriage of large machinery and/or project cargoes as well as providing increased car capacity.

Yours faithfully,

Armacup
