## Terminal Handling Charge (THC) – Fiji

To Our Valued Customers,

On August 11<sup>th</sup> 2015, Fiji Ports Terminal Limited (FPTL) made a public announcement regarding substantial increases for port wharfage, stevedoring and berthage rates.

Unfortunately this has left Armacup with no choice but to review our Terminal Handling Charge (“THC”) for all cargoes carried in or out of Fijian ports on our service.

Effective Morning Miracle voyage 20 (ETA Suva October 25<sup>th</sup>), Armacup’s schedule for local charges will be as follows:

Terminal Handling Charge: FJD 15.60 / Revenue Tonne

Documentation Fee: FJD 25.50 / Bill of Lading

Bio Security Surcharge: FJD 3.26 / unit of cargo

Armacup regrets this advice and appreciate your continued support to our service. Please do not hesitate to contact your local office if you require further information.

Yours sincerely,

Armacup
